

ASX RELEASE

04 JULY 2018

## APPOINTMENT OF NON-EXECUTIVE DIRECTOR

Metallica Minerals Limited ([ASX:MLM](#)) (Metallica or the Company) is pleased to announce the appointment of highly experienced aluminium industry specialist, Ian Jacobson, as a Non-Executive Director of the Company.

Mr Jacobson has more than 40 years' experience in the aluminium industry and has held senior executive roles in operations and project development with Rio Tinto/Comalco, Alcoa of Australia and BHP Billiton Aluminium.

He is also a co-founder and the current Executive Chairman of SCCR Group, which provides a range of consulting services to the primary aluminium industry including; project development, plant management, technical and operational support and governance in bauxite mining, alumina refining and aluminium smelting.

Metallica Chairman Peter Turnbull said: "We welcome Ian to the Metallica Board and look forward to taking advantage of his very extensive knowledge of all aspects of the aluminium supply chain, including bauxite products and projects. Ian has a comprehensive understanding of the global industry, as well as exceptional project development skills honed with some of the world's largest producers.

"Ian also has a strong network of industry contacts developed through his previous corporate roles and also through SCCR Group

We believe that with his background he will be able to assist greatly in identifying and supporting additional growth opportunities with the potential to add substantial value for shareholders."

Mr Jacobson replaces Ruobing Wang, who resigned from the Metallica Board in April 2018.
